

"I bought the building because I felt it would make an ideal community center and I want to turn it over to the community to go ahead and establish a community program.

My idea is that it should be used as...a memorial dedicated to those boys and girls who are serving in the armed forces during the present war....I also would like it to be the center of a community youth program."

What is the Ralph M. Spacht Founders Fund?

The Ralph M. Spacht Founders Fund was established in 2008 as a revitalized Lititz recCenter was being developed. Leaders recognized that while regular financial support from Members and generous community partners would remain vital to a strong recreation center, the future of Lititz recCenter would require a thoughtfully designated endowment fund.

What kind of donation can I make to the Endowment Fund?

Gifts can be anything of value and can be immediate or deferred. Gifts could include cash, certificates of deposit, real estate, stocks and bonds, mutual fund shares, or other property.

How will my Gift be recognized?

Donors making a gift to the Ralph M. Spacht Founders Fund will proudly join the Lititz recCenter "Legacy League" with recognition on a permanent plaque at the entrance of the Lititz recCenter.

Ralph Spacht Beginnings

As World War II came to a close, local businessman Ralph Spacht envisioned an active gathering place for young people in the community and donated a warehouse in the center of Lititz in 1944 to fulfill his vision. In the decades since, community members have rallied to support an ever-growing and improving Lititz Recreation Center, Lititz Community Center, and now Lititz recCenter.
