STRENGTH & CORE

Les Mills Body Pump A scientifically backed barbell workout using moderate weights and high reps to build strength and get you fit fast.

Les Mills Body Pump Heavy is tempo-based weightlifting that draws on traditional lifting techniques. Each class challenges strength, builds lean muscle and focuses on slow tempo with longer periods of recovery

Les Mills CORE An innovative workout to transform muscles of your torso, hips and glutes into a powerhouse to support the rest of your body. Scientifically tested to improve your stability, elevate speed, and assist with injury prevention.

CARDIO & STRENGTH

Bosu Circuit BOSU blends fat burning cardio segments with muscle toning segments. The cardio segments are high & low intensity and non-stop flow to maximize calorie burn. The sculpt segments strengthen and tone your muscles.

Les Mills Grit Strength Next generation High-Intensity (HIIT) training using barbells, plates, and bodyweight exercises to make you strong and unbelievably fit.

CARDIO

Les Mills Body Combat non-contact mixed martial arts inspired workout to fuel cardio fitness and condition your whole body. Define and strengthen your upper and lower body and increase overall speed and fitness. Feel empowered and in control as you punch out stress, kick down goals and build phenomenal core strength.

HIIT Happens Go all-out in this high-intensity cardio-based class and be pushed past your limits for a few minutes, before a short period of rest, then start again. This class will increase your fitness levels quickly and mixes max interval and strength training drills.

CYCLING

The Trip Fully immersive cycling workout that will elevate your heart rate and sensory experience. With a cinema-scale screen and sound system, you'll be transported into the future of fitness through this multi-peak cycling workout, leaving you exhilarated, motivated, and ready for more.

Spin 45 minutes of interval, rolling hills, sprint, climbs and surge all music hand-picked to motivate and inspire. This workout will burn calories and increase endurance.

RPM A cardio peak-cycle workout using simulated hill climbs, sprints, and flat riding to improve aerobics fitness levels and muscle endurance. Find your rhythm in the music and hit an endorphin high. Control your own resistance levels and speed for a customized experience.

BODY & MIND

Les Mills Body Balance Ideal for anyone and everyone, this class is a new generation yoga workout that will improve your mind & body. You can expect to bend and stretch through a series of simple yoga moves, with elements of Tai-Chi and Pilates.

Gentle Yoga Floor stretching for major muscle groups

Pilates This mat class is designed to introduce participants to 18 fundamental exercises that emphasize the core, proper form, and breath work

Hatha Yoga This class is practiced at slower pace, with focus on the breath, controlled movements, and stretching. Bring your yoga mat.

Vinyasa Yoga The class focuses on special movement, meditation, and self inquiry. Adapted for any fitness level.

Yin Yoga A slow-paced, meditative style of yoga that focuses on holding poses for extended periods. It primarily targets the connective tissues of the body, such as ligaments and fascia, rather than the muscles, allowing for deeper stretching and relaxation promoting both physical and mental well-being

DANCE FITNESS

Zumba An energizing dance fitness class featuring Latin and International music. Dance your way through the workout, burn calories and meet new people.

OULA An adult dance-mania for the soulfulness of mind-body practice, with the carefree playfulness of living room dance party. Easy-to-follow moves combining fast & slow rhythms to tone & sculpt your body while dancing.

LOW IMPACT

Les Mills Tone It's the ultimate foundational class designed using functional movements and cutting-edge training styles. TONE is a 45-minute class to improve your flexibility, agility and balance through strength, cardio, and core to leave you feeling like you've taken your fitness to a whole new level.

POUND Instead of listening to music, you become the music in this exhilarating full-body cardio and conditioning training with yoga and Pilates-inspired movements. You will use weighted drumsticks engineered for exercising. POUND transforms drumming into an incredibly effective way of working out.

SILVER FITNESS – ACTIVE OLDER ADULTS

Silver Cardio & Strength A low impact class focuses on total body and core while incorporating agility, balance exercises and flexibility. This class can be done seated or standing using hands weights, resistance bands and balls.

Silver Yoga Focus on full body stretching, meditation and stress relief. Yoga standing poses are added for balance improvement. Option to perform movements while seated.

Silver Strong A 45-minute program to improve balance, agility, coordination, and strength using bars or dumbbells. The class will end with flexibility and core routine.
