

# HOMESCHOOL SWIM TIME

*Recreational swim activity for children and families 1-3 pm M-F Sept through May*

**During Homeschool Swim time at Lititz recCenter,  
please note these helpful reminders:**

- Follow our Pool Health & Safety Rules at all times and share these with children to guide their pool activity.
- CHILDREN UNDER AGE 6 MUST have an adult IN THE WATER with them at all times.
- Coast Guard approved flotation devices only may be used. No water wings, inner tubes, or other floaties.
- Use of the water slide requires a Lifeguard administered Swim Test. This quick in-water test assures guards of a child's skills to enter the water, swim to a ladder, and safely float/tread water where they cannot touch.
- Water only in the pool area - no snacks, food, or other drinks. Plastic containers only, please.

Pool users may request that water features in the Splash Pool be turned on by a Lifeguard. Aquatic Fitness classes and swimming lessons take priority over recreational swim activity, and features will be turned off during these programs.

***We appreciate your cooperation!***
